

# headspace Meadowbrook update...

## Our doors are open!

Dear Friends of headspace Meadowbrook,  
Today marks the official opening of our centre! This is a soft opening, with minimal services operating at this point. We will be launching our headspace Youth Early Psychosis Program (hYEPP) in February and hoping to have full service delivery for both models happening by July 2015. If you are in the area, you may have seen our new headspace signage up and about on Loganlea Road! Please note will be closing for Christmas from the 22<sup>nd</sup> December – 5<sup>th</sup> January. We are looking forward to working together in the New Year! Thank you for all of your support so far.

Our team (from left- back row): Drew Garner (Service Manager), Carmen Rejcek (Intake Clinician), Tamsin Carroll (Senior Clinician), Angela Sheehy (Senior Administration Officer). (From left- front row) Jacklyn Whybrow (Clinical Service Manager), Anna Benton (Community Development Coordinator).
